Zhe xue de er shi liu tang ke (Book, 2002) [styleguide.expo.io]

The Perfect and Perfect Continuous infinitives denote actions prior to that of the predicate: Я рада , что увидела вас.

Dang dai si chao yu Zhongguo zhi hui (Book, 1989) [styleguide.expo.io]

I composed ten poems with the rhyme that Mr. TYPES OF EQUIVALENCE 29 § 2. During the early part of the 36 Handbook of Chinese Mythology Warring States era, there were just over ten States remaining.

The Chinese Aesthetic Tradition

On the one hand, the Athenian is adamant that the involuntary thesis is true, but on the other hand, he acknowledges that all lawgivers seem to deny it.

Ethan Li (李东学)

Leaving aside the mystical explanations that are so ubiquitous in ancient times, the key was to establish a unifying system of correspondences in which 1 the cadence of music including dance and song , 2 the activity of the natural world, and 3 the emotions of the human person, found their counterparts in rhythm and meter.

Li Xiang Zhe (李向哲)

He and his disciples seem to have been highly regarded by the rising Qin rulers. The idea is that the virtues always contribute to human flourishing, but things that are commonly thought to do so, such as wealth and beauty, will not do so unless one possesses virtue.

Theses and Dissertations Available from ProQuest

They chiseled one hole each day. All errors are the author's own responsibility.

Li Mingrui's private troupe and its spectators (1644

Thus, the unjust will wind up with bad lives and the just will wind up with good lives in the end. Many of them travel here together in pilgrim associations usually led by women. He stayed there some two and a half years.
