## Spiritual Exercises of Ignatius of Loyola

He was strong on the painful journey back to his home, even as he was carried over rough roads, his shattered leg bumping harshly with every step. Ignatius lived in Spain during the sixteenth century. AUTHORITIES Below are references indicating presence of this name in another database or other reference material.

## The Life of St. Ignatius of Loyola

Such Centres are found wherever there are large groups of Catholics, such as Europe and the USA.

## Knight of God: a Review of "Ignatius of Loyola"

Within the Exercises, daily instructions include various meditations and contemplations on the nature of the world, of human psychology as Ignatius understood it, and of man's relationship to God through Jesus Christ. It served as the basis for the later Constitutions, published at his death, by which Jesuits have been governed ever since. The complex personality of this great saint and the profundity of his personal and spiritual struggles bring into focus significant questions about the complex interplay between human motivations and needs on the one hand and religious experience and spiritual motivation on the other.

## TO THE GREATER GLORY: A PSYCHOLOGICAL STUDY OF IGNATIAN SPIRITUALITY.

This spiritual path finds a surprising confirmation in the findings of contemporary psychology. Tetlow, The Spiritual Exercises of Ignatius Loyola.

## The psychological insights of St. Ignatius Loyola

He was strong and full of life.

**Holdings: Ignatius of Loyola :**

. He centered his spiritual life on the essential foundations of Christianity—the Trinity, Christ, the Eucharist. You know that God created you for more than that.

**Open menu**

But in 1521 Ignatius was gravely wounded in a battle with the French. Even if you know a big change is for the best, it can still be scary.
