## Development Strategy of Sendang Agropolitan Area, Tulungagung

Bismar, who had served duty for over 28 years, was posthumously promoted to chief prosecutor, the highest rank in the force.

## Land cover change and abrupt environmental impacts on Javan volcanoes, Indonesia: a long

After the Indonesian independence, the Javanese language as a medium was pushed to the background. But the Mumbai Gateway blast, which happened in 2003, left an impression because I was then in Colaba. Women bleed most from any cut in health services, partly because of their own conditioning to cower at the back of the queue.

## May 2010

By removing forests from increasingly crowded mountain slopes, Javanese society is following a trajectory in which new nonlinear responses to environmental hazards and change may limit our capacity to anticipate and contain environmental risk to human life and property.

## IRIAN JAYA (WEST PAPUA, NEW GUINEA): THE QUEST FOR INDEPENDENCE

Evolution Javanese spiritualism entails a never ending search for wonder and surprise. Governments make the politically correct noises but budget allocations that might help change the inequality status of women are not sufficiently in step with pronouncements made to mark occasions such as International Women's Day.

## Srivijaya

Tantric Buddhism came into prominence in India only in the 7th century, and the synchronism of its appearance in Palembang reflects not only the

regularity of shipping contacts between Sumatra and India but, more importantly, the quick perception of the contribution of Tantric Buddhism as a source of personal spiritual power. Diplomatic delegations from Banten or Ternate, or Siam or Tonkin were all received with the appropriate honour, protocol and ceremony. The peace deal was brokered by the exiled daughter of Vijayottunggavarman, who managed to escape the destruction of Palembang, and came to the court of King in.

### **Srivijaya**

Sumba and Timor form an outer southerly fringe of nonvolcanic islands, which resemble those off the western edge of the Sunda Shelf near Sumatra.
