Businesses Under Socialist Systems

Fosters Entrepreneurialism Capitalism also creates a conducive environment to spur innovation, develop new technologies, and stimulate creativity. We should resist the power of finance as an enforcer of the logic of accumulation. Okay, the way to fix the planet is: 1 PLANT TREES!!! Basic necessities are provided for.

David Harvey “The Urban Process Under Capitalism”

Sure a new plant with newer technology would be better than the older ones. Energy corporations claim as assets trillions of dollars in coal, oil and gas reserves which if burned would push the atmosphere past the point of no return.

Socialism vs. Capitalism: Differences, Similarities, Pros, Cons

In short: the socialization of finance. Inequality limits and the innovation it creates. Frequent labour unrest In capitalism, there will be poverty in the midst of plenty.

Verso

New York just got rid of their problem. All entrepreneurs try to start those industries or occupations in which they hope to earn the highest profit. Land of course was well understood by pre-Smith, Smith, Ricardo, George, etc as its own thing

Housing: How Capitalism and Planning Can Co

By the time they get there, we may have reached a point of no return. Although their number is overwhelming their share of income is relatively much lower. Thus the property holders obtain a major share of national income.

Capitalist Planning and the System, An Excerpt from Chapter 5 of Reisman's CAPITALISM: A TREATISE ON ECONOMICS

Fascism Capitalism and both allow private ownership of businesses. The utilization of resources is done without any external direction.

David Harvey “The Urban Process Under Capitalism”

I suppose that depends on how you look at the problem.
