Past, present and future

The Hijaz Railway Line was restored as a tourist route which preserves an important part of Islamic culture. Conversion of the abandoned railway into a tram line has also been proposed, based on the status of the current urban transportation system, forecasts of urban growth in the city, and future transportation demands. Its particular emphasis is on the presentation of innovative and fresh ideas that move the discipline forward and make the journal accessible to new researchers including postgraduate students and academics at an early stage of their research careers.

The Real Reason Your Downtown Died

Urban Renewal, Urban Destruction Here are some key ways to kill an urban neighborhood.

Greater housing supply

Where there is significant investment in mass transit corridors, both existing and proposed, urban renewal may best be investigated in key nodes along the corridor.
