Markus Eder, Crime and Punishment in the Royal Navy of the Seven Year's War, 1755

His argument here might be challenged.

A History of the Royal Navy: The Seven Years War: A History of the Royal Navy Martin Robson I.B. Tauris

Key to Britain's success was political and strategic direction from London, through the war planning of Pitt the Elder and the successful implementation of his policies by a stellar cast of naval and military leaders at an operational and tactical level. Martin Robson highlights the work of some of the key protagonists in the Royal Navy, such as Admiral Hawke whose appreciation of the wider strategic context at Quiberon Bay in 1759 decided the fate of North America, but he also provides insights into the experience of life in the lower decks at this time. Only flag comments that clearly need our attention.

Crime and Punishment in the Royal Navy of the Seven Years' War, 1755

But what Eder presents is a thoroughly researched description of naval law and an illuminating assessment of how it functioned in a series of different stations. .

Markus Eder, Crime and Punishment in the Royal Navy of the Seven Year's War, 1755

But the whole might have benefited from some tighter and more intrusive editing.

A History of the Royal Navy: The Seven Years War: A History of the Royal Navy Martin Robson I.B. Tauris

Historians of eighteenth-century England have often remarked on how judges commented that the numbers of offenders brought before them during wartime was significantly lower than in peacetime, and how the population fretted at the end of wars over the return of the demobilised

military, trained in the use of arms and brutalised by conflict. Courts-martial tended to take much longer over hearing offences than assize courts; but there was always the problem, particularly with the summary offences, that a captain could be adjudicating in a case that he himself had initiated. We take abuse seriously in our discussion boards.

Crime and Punishment in the Royal Navy of the Seven Years' War, 1755

First, there is the age-old but still unresolved question of the extent to which punishment is a deterrent.

Crime and punishment in the Royal Navy of the Seven Years' War, 1755

Although it contains some minor errors in naval terminology and usage and is not easy reading, it will reward close study by specialists.

Crime and Punishment in the Royal Navy of the Seven Years' War, 1755
