Welcome to the Wyoming State Archives!

The name is adapted from the word *ákron*, meaning summit or high point. These statements furnish a detailed physical and some biographical data on prisoners: name, crime, sentence, age, occupation, nativity, physical description, family, religion, education, personal habits and address of relatives.

Akron, Ohio

Records include warrants, complaints, and court orders.

Akron, Ohio

The American was birthed through Akron's Rubber Capital of the World era when the four major tire companies 1869, 1898, 1900, and 1915 were headquartered in the city. Authorities believe a disruption of a major Mexican meth operation attributed to the increase of it being made locally.

Akron, Ohio

Files may include summons, complaint, transcript of judgment, and evidence. Department of the Interior, U.
