Foreign Language & Area Studies Fellowships

When the and the , which had long served as the national for raising and administering funds for area studies, underwent their first major restructuring in thirty years, closing down their area committees, scholars interpreted this as a massive signal about the changing research environment. Program Description The Foreign Language and Area Studies FLAS Fellowships program provides allocations of academic year and summer fellowships to institutions of higher education or consortia of institutions of higher education to assist meritorious undergraduate students and graduate students undergoing training in modern foreign languages and related area or international studies. In contrast to cultural studies, area studies often include and from the area.
