Briefe

The data collected is owned by the FAA and will be provided to the FAA upon request. Lest you should doubt the substance of my report, since it will differ from others, I will first say why it is different.

Briefer : Définition du verbe simple et facile du dictionnaire

If you volunteered personal information to Leidos and would like to update it, please visit the portion of this site where you submitted the information and submit any changes. In their ill nature they have spoken maliciously not only of their governors but also of the country itself, and they have been borne out in their tales by their companions. I obtained both of them in London and brought them here to Frankfurt, where I and my sons have taken the most earnest pains in engraving them carefully on copper, since the subject is one of great importance.

MOZART BRIEFE

This was the most important of the enterprises, because the Colony stayed in Virginia a whole year, whereas the first settlers remained there only six weeks; all the later trips were made only for purposes of carrying supplies, and on these voyages nothing more was discovered. Hope was, we believe, a convert to the Roman Catholic Church, and neither she nor her editor conceals the fact that they hold a brief for the Pope and for Catharine against Henry VIII. In the first I will enumerate commodities already found there, or which could be raised there to serve the ordinary needs of you who will be the planters and inhabitants of that country.

BRIEFE

When they returned to their friends and acquaintances, they pretended to know more than other men, especially when there was no one in the gathering who could disprove them. I have had the text of both narratives translated into excellent French and Latin by a very learned friend of mine. The pilots were given a briefing before they left.

briefé : définition de briefé et synonymes de briefé (français)
