Whilomville Stories by Stephen Crane: Showin' Off

Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages.

Whilomville stories (The American short story series, v. 44) (1st THUS)

When Jimmie made up his mind to follow his sweetheart home from school, the project seemed such an arbitrary and shameless innovation that he hastily lied to himself about it. He stood morosely during the singing of the closing hymn.

Whilomville Stories by Crane, Stephen

While Crane biographer claimed to trace the prototype of Henry Johnson to a Port Jervis named Levi Hume, Crane's niece, Edna Crane Sidbury, believed the character and his disfigurement were influenced by a local waste collector whose face was damaged by cancer. Their gentle intimacy was ineffable to the boy. Then they piled other boughs upon him until he was not to be seen.

Whilomville Stories by Stephen Crane

But they talked of watermelons until, when Peter started for home that night over a lonely road, they held a certain dominant position in his mind. A row of nearby jars shatters from the heat, spilling molten chemicals upon Henry's upturned face.

Whilomville stories : Crane, Stephen, 1871

The Monster and Other Stories was the last collection of Crane's work to be published during his lifetime. If you interfere, you are likely to prolong everything.

CRANES SHORT STORY PDF

He was accompanied by only one of his retainers.
