Diamond Jewelry Market Research Report 2018

The offline landscape is also evolving. The global costume jewelry market can be classified based on product, end-user, distribution channel, and region. Spending on fine jewelry, as gift giving and self-purchase, was also up significantly as consumers ... The jewelry trade is amongst the oldest form of businesses that has been prosperous since ages.

Costume Jewelry Market Size, Share

Key companies are preferring lab grown diamonds over natural diamonds in jewelry manufacturing to offer reasonable collections of diamond rings and necklaces. To what degree the two industries will mirror each other remains to be seen, but it seems likely that the jewelry market of 2020 will be highly dynamic, truly globalized, and intensely competitive.
