The University of Arizona at Tucson is another institution said to be making definite plans in this direction. In some states the library commission, as in others the state library, is trying to render assistance to members of the legislature without any special facilities or funds and without having created any special Municipal Reference Libraries 79 department to perform this service. Out of this amount, however, must be deducted all accounts chargeable to the appropriation for that year, which had not been stilted by the Auditor up to September 30, 1894.
