A socialist Brexit to reshape UK and Europe

Foreign firms might hesitate to continue investment in Britain. Other studies, including by the UK government, produced similar totals, but also included jobs indirectly linked to trade with the EU — a broader category. National authorities offer tools to help businesses meet their Intrastat reporting obligations.

BBC ON THIS DAY

On March 10 and 11 the Heads of Government met in Dublin and clinched the bargain. In total, over two-thirds of voters supported continued EC membership.

1975 in the United Kingdom

The Government also won a better deal on food imports from countries outside the Common Market, particularly for Commonwealth sugar and for New Zealand dairy products.
