The Artistry of Salt

.

Salt Glaze

Salt-glazed stoneware pieces were decorated with an amazing array of designs, including the stag and landscape on this piece. Applied around the neck is a frieze of strap-work ornamentation; the body features a frieze with three oval medallions, in the center, the Pelican in her Piety centering armorials.

Diagnostic Artifacts in Maryland

Additional corroboration for the date comes not from ceramics, but from the palisade erected around the principal dwelling during Phase 1.

Clifts Plantation (44WM33) (Fraser Neiman)

Salt-glazed stoneware pieces were decorated with an amazing array of designs, including the patriotic motifs on this piece.

Diagnostic Artifacts in Maryland

Interesting inverted rhombois shaped slab.

Salt Glaze

Use default description of artifact Water cooler This water cooler was made of a durable, leak-proof pottery called stoneware, shaped on a potter's wheel.
