Call For Papers

His research interests include syntactic theory, the syntax—phonology interface, field linguistics and language documentation, and African linguistics particularly, the languages of West Africa. His research focuses on syntax and its interfaces with semantics and morphology. To pay ACAL membership fees, please go to.

Mohamed Mwanzandi

SUBMISSION CATEGORIES: Category 1 - Abstract Submission: You can choose to submit ONLY the abstract part of your paper to appear in the conference proceedings book and CD. For the purposes of this index, Bantu languages have been entered, for the most part, without a prefix, hence, Chewa rather than Chichewa. International participants are urged to submit their abstracts at the earliest date possible because of

Mohamed Mwanzandi

He teaches courses on syntax, semantics, typology, and fieldwork.

Submissions

Next ACAL Conferences ACAL 53 will be hosted by the University of California-San Diego, in spring of 2022. Authors must check proofs carefully, as no further changes can be made once the paper has been published online.
