DUCAL PALACE

Venice occupied a geographical location that was inherently defensible, and the city was uniquely situated in terms of its proximity to other cultures. Furthermore, the wellness area includes a massage and beauty centre, hairdressing service and an underground heated pool with Jacuzzi converted from an ancient oil mill.

DUCAL PALACE

It is adjacent to the Basilica of St. Venice once belonged to the Byzantine Empire the eastern part of the Roman Empire , but by the fourteenth century, it was an independent republic. However, certain sections of the new prisons fall short of this aim, particularly those laid out with passageways on all sides and those cells which give onto the inner courtyard of the building.
