In 2002, there were 247,730 sexual assaults -- Approximately 87,000 were victims of completed rape; 70,000 were victims of attempted rape; and 91,000 were victims of sexual assault. And remember that all rapists are cowards, criminals, and losers and belong in prison. I think they could have all of those capabilities as well as other gifts but in order for them to be realized, women have to reject feminism completely and embrace empiricism.
