### A research proposal on the Impacts of Microfinance in Kenya

The CARD Bank is a Centre of Excellence when it comes to demonstrating the positive effect of training on people at all levels of the Bank.

### 08 Grameen Bank

Paper presented at the World Education Fellowship Conference, Launceston, December 30, 1998 --January 4 1999. She commented on the importance of dignified solutions like the Village Phone program, where individuals get the opportunity to earn income for themselves while offering a valuable service to individuals in their community.

### A research proposal on the Impacts of Microfinance in Kenya

This is possible by supporting borrowers with informal training and education. In early 1997, the program started its operations to provide mobile phone services to the poor Bangladeshis.

### microcredit

Invest in human resources: training leaders will provide them with real development ethics based on rigour, creativity, understanding and respect for the rural environment.

### 5. Weaknesses & Threats

The literature suggests that micro- finance creates access to productive capital for the poor, which together with human capital, addressed through education and training, and social capital, achieved through local organization building, enables people to move out of. Add the Internet, and we

have a whole new way of communicating and creating economic development in poor, rural areas. Geoffrey Muzigiti, Oliver Schmidt 2013.

**Successful Rural Finance Institutions : Finance & Development, March 1994:**

Both Peter and David also attributed our success to enduring core values — empowerment, sustainability, scalability and collaboration. Empowering the poor threatens the existing power structure.
