They are all very well for the run of people.

When the Sleeper Wakes, a story by H G Wells

Despite this, he still managed to write about air combat fifteen years before any of our planes engaged in warfare. It went up beyond the top of his eyes.

When the Sleeper Wakes by H. G. Wells, Paperback

But the writing, the pacing, the ending don't live up to the potential of this premise. How do I come into the midst of it all? Until I visited the Modern Library website, I had never heard of this novel, but it was so intriguing I immediately ordered this edition from Amazon.

When the sleeper wakes (1899 edition)

He reverted to his present condition. He staggered down the steps, tripped on the corner of the black cloak he had wrapped about himself, and saved himself by catching at one of the blue pillars. But the whole effect was vague, the very buildings throbbed and leapt with the roar of the voices.
