Continuing perspectives on the Black Diaspora in SearchWorks catalog

Sugar, however, created the biggest market for slaves.

Birthright AFRICA: A new perspective for the Black Diaspora

This reflects the scattering implicit in the word itself, and it creates conditions under which different segments of the diaspora can create relationships among themselves. In the tobacco areas of Virginia, the slave population had been growing since the 1720s.

Diaspora Investment in Developing and Emerging Country Capital Markets: Patterns and Prospects

The Atlantic slave trade was directly responsible for removing upwards of ten million people from the continent over four centuries, destroying whole nations in the process and enslaving the descendants of the original captives.

Introduction: African (Black) Diaspora History, Latin American History on JSTOR

African folklore and African craft skills, such as pottery or raffia work, also remained important in many diaspora communities.
