Statistics

Mr Wells: Again, the advertising contract was with Ardmore. Dr McKee: I do not recall a discussion at that time.

Dispatches from the field: Developing community safety in Northern Ireland

Regulation 22 also imposes duties on employees. Additional emergency measures in respect of dangerous substances 15. Mr McDevitt: I will not pursue this much longer, Chair, but there are a couple of other things that I need to ask.

Dispatches from the field: Developing community safety in Northern Ireland

Mr Wallace: Absolutely, particularly if I have got it wrong. Whistle-blowing is a good example of where we have not got things right, because, for me, someone having to use the whistle-blowing procedure is almost a recognition that the system has failed.

The Fire Safety Regulations (Northern Ireland) 2010

There are 11 PCSPs across Northern Ireland, one working in each council district.

The Regulatory Reform (Fire Safety) Order 2005

Dr McKee: Some of that, Conall, I might say, is to do with other things; say, the report around whole-time recruitment. In compliance issues around policy within the allegations and recommendations in the report, we talked earlier about accountability, and quite rightly so. Mr McDevitt: Did it not seem strange to you that you were driving around in a vehicle sponsored by Charles Hurst? Mr McDevitt: So, you do not know yet.
