Archaeology, Annales, and Ethnohistory

Thus, a reformulation of the domain of historical research and a new emphasis on research as collective as well as an individual procedure, focused on clearly identified problems and themes, was a central part of the methodology of the school. Connection of these burials to prestigious goods may perhaps rather suggest evidence of certain social ranking rather than chronological differences.

From New to New Age Archaeology: Archaeological Theory and Classical Archaeology

Most recently we are witnessing the massive looting of Iraqi Heritage under US occupation. The aim of this paper is to demonstrate that archaeology needs to go beyond Big Data, and the Third Science Revolution in general, and embody qualitative research. Diplomatic history is the past aggregate of the art and practice of conducting negotiations between accredited persons representing groups or nations.

Annales School

In Chapter 23 of Part 7 of *The Capital—Simple Reproduction*, Marx analyses the way in which the labour force is maintained by the capitalist. Through the archaeological evidence of funerary rituals will be presented not only prehistoric people's attitudes toward death and the afterlife but also their culture, social organization, symbolic systems and cosmology.

The Different Schools of Historiography: A Reference

This is still true today, an example being the difficulties with which the survivors of the Grenfell Fire are trying to keep together in their area — Latimer Court, West Kensington — and keep telling their story rather than accepting to be relocated in different areas of London.
