Gender Based Violence Resource Library

Domestic violence is a type of abuse. What can I do if I am a victim of domestic violence? You should talk about your concerns with your loved one, but you need to understand that they may not be ready to talk about it.

Gender Based Violence Resource Library

Describe the behaviors that concern you. For example, a criminal trial as a witness, civil issues such as divorce, child custody or support, protection from abuse orders, or any other domestic issue. If your loved one is ready to leave an abusive partner, help make a plan for getting out of the relationship as safely as possible.
