Professor of Poetry Lecture: On behalf of a Pebble

The Nobel laureate Wole Soyinka.

Professor Sir Geoffrey Hill lectures

Since 1708, 45 persons have been elected to the position including many prominent poets and academics. But the frontrunners are both universally admired poets: the Nobel laureate , and Yorkshire-born , winner of several awards. The Professor of Poetry is a unique academic appointment at the University of Oxford.

In addition, every second year alternating with the University Orator , the Professor delivers the Creweian Oration, which offers formal thanks to benefactors of the University.

Poetry with Simon Armitage

In 1968, an undergraduate rode naked through the streets of Oxford in support of her own unlikely candidate, Yevgeny Yevtushenko, during an unprecedented student ballot, which made no difference, anyway. How, again, remembering him and others, should I venture to praise my predecessors? William Hawkins, professor from 1751 to 1756, was interested in drama and more modern works, and was renowned for quoting extensively in Latin from the works of Shakespeare during his lectures. He was mainly concerned with the classical poets — particularly Roman writers.

Poetry with Simon Armitage

Professor of Poetry Alice Oswald gives her lectures on poetry, language, literature, beauty and life every term. Sooner or later, my own words would have to come, and the inevitable contrast. However, it was Keble's godson, the great Victorian poet and critic Matthew Arnold, uniquely elected twice to the Professorship in 1857 and 1862, who really created the Professorship in its modern form. Arnold spoke about literary matters of contemporary concern, and was the first Professor to deliver his lectures in English, as opposed to Latin.

Brawls, booze and slurs: 300 years of Oxford University's professor of poetry

Previous occupants of the hallowed Oxford chair, regarded as second only to the poet laureateship in British poetic prestige, include such grandees as , , , and. The lectures approach the style and craftsmanship, views and theories of Shakespeare, Wordsworth, Hegel, Shelley and Keats through an extended study of their valuable works. And I must premise, without attempting to justify them, certain explanations.
