ERIC

The organization reflects the subjects that have been identified in the National Agenda. The bibliography consists of the following seven sections: 1 origins and concepts of law; 2 the constitution; 3 the bill of rights; 4 current issues; 5 the political process; 6 practical law; and 7 teaching of law: sources and concepts.

ERIC

The annotated bibliography cites law-related curriculum materials for elementary and secondary education. Most materials listed have been published in the 70's with the exception of a few dating from the 60's. From time to time these suggestions will be included if they reflect the criteria listed above.

ERIC ED388534: Resources for Law

Programming for students with multiple disabilities has been incorporated within the subject areas. A series listing and publishers listing with accompanying addresses are provided.

Annotated Bibliography of Curricular Materials Related to The Core Curriculum for Children and Youths with Visual Impairments, Including Those with Multiple Disabilities

Part 3 has two ERIC digests on LRE. We have also included directions for adding your suggestions directly to the site.

ERIC

I tried to develop some hard and fast criteria, but you will soon find that I sometimes overlooked my own advice. Part 2 provides an annotated bibliography of 50 journal articles in Current Index to Journals in Education. For information about this website or TSBVI, you may call 512 454-8631 or.

ERIC

Since I am quite certain that I erred most spectacularly on the last objective, I have included multiple ways of contacting me, if you have suggestions for other materials that need to be added.

ERIC ED388534: Resources for Law

A guide to the vast array of available resources for law-related education LRE , this annotated bibliography is intended to assist any one concerned with the civic education of youth, especially teachers and other members of the K-12 educational community. Feel free to download it from there.
