The Kyrenia II, the trireme Olympias, the papyrella : three different endeavours in nautical experimental archaeology

A History of Seafaring in the Classical World. A Commentary on the Aristotelian Athenaion Politeia. Miller, Athens and Persia in the Fifth Century B.

Hellenistic

Dionysius I of Syracuse and Greek Tyranny. Mostly ink paintings on lengths of paper or silk, hand scrolls as they are also known are traditional forms of art in Chinese and Japanese culture.

Nautical Bibliographies

See Peter Green, The Greco-Persian Wars Berkeley: University of California Press, 1996 , 60—64, 146—48, 162—63.

NOTE ON SOURCES

Warfare in Ancient Greece: a Sourcebook. There was no mast, no rigging, no sail, no decks, and a multitude of details had to be reproduced using iconographic evidence from vase paintings as well as graffiti representations of ships. This philosopher and outstanding mathematician of his day also agreed with what Aristotle taught.

NOTE ON SOURCES

Sea trials and experimental navigation Fig. But we should also acknowledge the contribution of lawyers, surveyors, marine consultants and officers of the coastguard for the registration of this unusual ship and for dealing with the many formalities required for the innumerable clearances and entries into tens of ports. A History of Ancient Seafaring Carey, M.

Античные корабли

The Lenormant relief and the Dal Pozzo drawing, as well as the partial remains of a Zea shipshed were the only archaeological evidence. The

Khaniala Tekke Galleys Basch, Lucien.

Квинкверема

A bone of fin whale found in the Athenian Agora: John K.
