### **Gosudarstva na arhipelagakh (1977 edition)**

Resolving conflicts between Demidov and Tatischev was being held in extralegal field, bypassing government agencies primarily special body for the management of the mining industry of Russia — the Collegium of Mining , which indicates the priority of personal relationships and previous agreements between Demidov and Peter the Great. On this basis it is concluded that this rule must, however, have its limits, as suppression and future disappearance of other regulators of society leads to totalitarianism.
