### Hương Lúa

The Sui launched a campaign against Du-lan Qaghan, who was killed during a battle by his officers. He created an effective administration of the khanate and had each strategic city supervised by a loyal person, who took also care for tax collection. The khanate covered the region between River Sunggari in the east and the Amu Darya in the west, and was in the north limited by River Tuul in Mongolia.

### Jay Chou

Qi-min Qaghan also conquered territory in the west. In the eastern steppe region, he defeated the Xi and the Kitans and so achieved the greatest expansion the Turkish empire ever had.

### Buddha Prayers

Other steppe tribes relied on the metallurgical expertise of the Türks. Furthermore, Shi-dian-mi still reigned in the west as Yi-li Qaghan.

### Jia shi Su Xi duo luo (Book, 1997) [styleguide.expo.io]

Tong Ye-hu was killed by his uncle, and thereafter the western khanate fell into disorder. With the disintegration of the First Turkish Khanate, the west was of its own. This was not just due to the harsh winters in the steppe climate, but also because their economy had changed from a pure nomadic lifestyle to agriculture with the cultivation of different field crops like wheat and millet.

### CAN'T BRING ME DOWN (CHINESE VERSION)

After JBOY3 disband in 2012, Leo became part of the Chinese music duo Double JL with Chinese actor and singer Jason Fu. They were excellent in shooting from horseback and produced many kinds of weapons of horn, wood, and even of metal after they had learned to cast bronze and iron.

### Hương Lúa

His rebellion against the Chinese overlords echoed the many rebellions which shook the Sui empire during these years. There were diplomatic and trade relations with Persia and even with the Levant.

### **Buddha Prayers**

Bu-jia Qaghan is said to have escaped to the land of the Tuyuhun. Luo made his music debut in 2010 with the boys band JBOY3, which went on to release 3 singles.

### **Super hot (letra)**

His plans to create an alliance with the Tang empire failed because the Eastern Türks blocked the way towards the east. Others went over to the victorious Syr Tarduš or settled in the Western Territories.
