### Alcohol's Effects on the Body

Begin Anew is a practice of recognition and appreciation of the positive elements within our Sangha. The greatest gift we can offer our fellow practitioners is our practice of mindfulness.

### Light & Sleep: Effects on Sleep Quality

Your contribution in support of this site is greatly appreciated. One flower may bloom early in the spring and another flower may bloom in late summer. You may like to bring a musical instrument or prepare something ahead of time.

### Today's Reflections

For example, researchers at Massachusetts General Hospital conducted a double-blind, randomized controlled trial of 122 patients with hypertension, ages 55 and older, in which half were assigned to relaxation response training and the other half to a control group that received information about blood pressure control.

### The Daily Word Search

Sleep medicine clinics, 5 4 , 701—715. When preparing for bed, keep your lights dim.

### 11 Things to Know About Natural Light and Your Health

Taking refuge is also the awareness that one has the capacity to understand and love. Isabel and Furlan are both upset by the decision, insisting that they would rather leave the walls with him than return to the Underground, and convince him to allow them to participate.
