Visions Of Reality

Do you need to set up some cultural sharing events? What kind of buildings are there? Your overall vision is like a billboard: It is a picture of your ideal neighborhood or community that gets your ideas across powerfully, accurately, and quickly.

Exercise: What do you envision for yourself in the next five years? Who has what kind of jobs? Don't underestimate the power of your ideas and words. Your vision must be a product of your desires, passions, and imagination. When an attack is being directed at you, you will need the perspective of friends.

Chapter 14. Core Functions in Leadership

Before setting your goals and laying out your plans, you need to ask yourself this question first: What is it you really want? However, once you say it, people will see that it is true. As you think about the vision you developed, who is a part of that vision? To do that, you must be able to communicate what it is you want to achieve.
