## Hong Kong

Perhaps dear to my heart since I spent years studying this at university before I moved to China where TQM did not seem to exist.

## Fun with Chinese characters (1987 edition)

The ancient Chinese further believed that because of this close association with the heavens, the horn of the rhinoceros could emit a vapor that could penetrate water, traverse the sky and communicate directly with the spirits. Hong Kong athletes have won and. These 'Phags-pa script but regarded them as Khon-sen, Sin-tu brjod-pa, and Yu- Wen-tzu Kung-te chi Ch'u-sheng Tz'u-ti-pien fun.

## Chinese Charms

Undeveloped terrain is hilly to mountainous, with very little flat land, and consists mostly of grassland, woodland, shrubland, or farmland. Nobody goes hungry in my kingdom, and I treat my people far better than other kings. Demand for new construction has contributed to frequent demolition of older buildings, freeing space for modern high-rises.

## Chinese Charms

If you want your calligraphy written in the modern Japanese form, please click on the Kanji shown to the right instead of the button above.

## 3 Ways to Say Thank You in Chinese

By the end of the , seven large families had settled in the region and owned most of the land.
