Karl Marx: On Capitalism

The Only Road Twenty years ago Francis Fukuyama spoke of the end of history.

Marx Theory of Alienation

What we shall call its history is but the history of the successive invaders who founded their empires on the passive basis of that unresisting and unchanging society. Many who looked for salvation to higher education have found that this avenue is blocked.

On the Jewish Question

The way in which Marxism traces this winding road is called the materialist conception of history. According to Marx, history of mankind has two aspects; it is the history of growing control of human beings over nature, and history of increasing alienation of mankind. What the bourgeoisie, therefore, produces, above all, are its own grave-diggers.

9 Interesting Facts about Karl Marx

Unfortunately, their well-intentioned recommendations fall on deaf ears, since they conflict with the vested interests of the big multinationals that dominate the world economy and whose calculations are not based on the welfare of humanity or the future of the planet, but exclusively on greed and the search for profit above all other considerations.
