Southwest Indian Artist

There, he studied the art and culture of the under ; he received his master's degree with Honors in 1934. The actual origin of weaving among the Navajo tribe is unknown, although it is suspected that it was learned from interaction with the Pueblo tribe in the period between 1400 and 1600. The great stone for which it was so famous has entirely disappeared, although excellent wood sculpture is a continuing art; pottery is quite different from the earlier styles.

Plains Indian Sculpture: A Traditional Art from Heartland.

The thousands of volumes in his personal library mark the growth of a boy with an insatiable appetite for words to a linguist specializing in Medieval English language and literature.

Permanent collections of the Great Plains Art Museum

The Great Plains Art Museum will become the home for Guildner's photographs, negatives, and archives. Descendents of the Ancient Pueblo people of New Mexico and Arizona include the Hopi, Zuni, and Acoma as well as the Rio Grande Pueblos, and some of these communities have been inhabited for over a millennium. The designs that were used on clothing and household objects often had spiritual or sacred aspects that connected the creator or the user to tribal beliefs about the world.

American Indian Art in the Northeast and Plains

Today almost all of the aboriginal arts of the Southeast have been lost or are much less actively pursued.

Southwest Indian Artist

Broder Collection Over a number of years, Patricia and Stanley Broder donated works of art to the Great Plains Art Museum.
