Article

Unfortunately, history has not been kind to Barlow's work. Long neglected, The Columbiad fundamentally engages the core issues and strategies of national self-definition and the creation of a vital republican culture.

Joel Barlow's Columbiad: A Bicentennial Reading by Steven Blakemore, Hardcover

Prison Ships, the Delaware River, and the Saratoga Campaign -- 5. In doing so, he helps the reader understand the variety of national discourses that Barlow was prompting, challenging, or subverting. Blakemore shows that Barlow crafted a historically relevant New World epic- a literary foundation myth for America as ambitious as those created by Homer and Virgil for Greece and Rome-an epic that is the most significant American narrative poem of the nineteenth century.
