A Thousand Days: John F. Kennedy in the White House by Arthur M. Schlesinger Jr.

My favorite chapters and passages dealt with how Kennedy lived his day to day life in the White House and about his intellect and intellectual curiosity. This is a very thick paperback and very well held together, with a few slight creases and slight edge-wear on tail edge. I am about halfway through.

A thousand days : John F. Kennedy in the White House : Schlesinger, Arthur M. (Arthur Meier), 1917

These the Congress and the people have given in good measure. Bohlen as ambassador to Russia and of James B.

Review of "A Thousand Days: John F. Kennedy in the White House" by Arthur Schlesinger, Jr.

He won the Pulitzer Prize in 1966 for this book which chronicles Kennedy's presidential nomination in 1960 to his assassination November 23, 1963. . Its value as a firsthand account of the administration is self-apparent.

A Thousand Days: John F. Kennedy in the White House

. Please Note: Every book I review has been purchased by me. The book is over 1,000 pages but is worth the journey as you get a behind the scenes glimpse into President Kennedy's thoughts about the key decisions he made as president.

John F. Kennedy Quotations

The story is well-known: while playing lawn tennis with his brother, John, at the White House, the teenager developed a blister on one of his toes. His death is still grieved by many, his presence and leadership missed even by those Americans including myself who were not then alive. Tanning to spine and edges.

A Thousand Days: John F. Kennedy in the White House

You can read this before A Thousand Days: John F.

Good

Although it is a big book, it had a good flow. It seems the same was true of Kennedy. It is about 1000 pages.
