Once Is Not Enough by Jacqueline Susann, Paperback

I still prefer Hirschfeld, though. Consignment stores typically buy or sell items of a certain category of merchandise which can range from furniture, clothing, antiques, novelty items, and so many more products.

So yeah, trash- but GOOD trash. The main character is a naive idiot, the men are repellant assholes and there's a lesbian love triangle between a hermit older actress à la Sophia Loren, a man half her age who also is trying to marry the main character solely for her money and that dude's aunt, and did I mention the amphetamine vitamin shots and acid-fueled orgy? She's the perfect realization of Susann's character albeit with toned-down material and provides a lot more spirit than this tepid production deserves.
