Adaptive Recreation

We work closely with self-directed programs to help build classes around the needs of individuals. Volunteer Opportunities Volunteers play an essential role in helping to provide participants with a quality program they deserve.

Disability and Health Inclusion Strategies

Recreational participation of children with High Functioning Autism. I am able to ask others for assistance.

Adaptive & Inclusive Recreation

I can tell where the boundaries and foul areas are located in a game or sport activity I know well. Musicians lose themselves in music. For more information concerning COVID-19, be sure to visit the website and the.

Developing Recreation Skills in Persons with Learning Disabilities

We are committed to compliance with the Americans with Disabilities Act ADA and provide reasonable modifications to facilitate program participation. The program provides multiple opportunities for blind and visually impaired children to develop hobbies, friend, interests and independence.

Recreation Opportunities

I can judge when to hit a ball with another object e.

Adaptive Recreation

Others are near nursing homes, so a person can move easily if needs change. Art Therapy Adults with IDD often respond well to art therapy.
