Books by Julia Case Bradley

So I asked him whether he'd prefer me to take longer so everything worked properly at every stage, or whether he'd prefer me to be as fast as them, but then also repeatedly spend the extra time they did afterwards sorting out the issues they had cos they'd not done a proper job. I switched to using Linux as my primary desktop OS back in 2007 and I've never regretted it for a minute - Windows of today and its associated common MS apps - I'm lookin at you, Outlook!
