### Renting Gallery Space

It is a space that inspires and is loved by visitors, makers and the Making Space team alike. Formed in 1981 as the exhibitions arm of Art Space Portsmouth in a converted chapel in Brougham Road, Southsea, the gallery became a separate legal entity in the early 1990s. As a consultant she has worked within the arts and cultural sector across a number of creative practices including traditional and contemporary craft, visual arts and performance.

### Renting Gallery Space

Through mindfulness retreats, iBme helps participants cultivate awareness, compassion, and kindness for themselves, others, and the natural world. Individuals may use those skills for their own interest and enjoyment, they may share them with others their children, for example, or they may be able to use them as stepping stones towards further study, training or employment.

### Steve Buggle

She has previously worked for creative organisations in London and Portsmouth as well as freelance design work. The aim was to provide a purpose-built studio facility, teaching spaces and a major gallery and retail space. The combination of our Performance Space, and Gallery offers an exquisite space for your reception, with its open dance floor, modular stage, and a full range of sound and lighting accents.

### ASP International Residency 2012

The gallery specialises in supporting artists at the early stages of their career. CORONAVIRUS UPDATE We are pleased to confirm that Making Space is open to the public for classes and private hires, subject to national restrictions. Â She has always had an interest in making objects herself and these personal lifelong attempts at making have given her a deep appreciation of the skill involved in creating useful and beautiful objects.

### **About Us**

To ensure you are the center of our attention, we book no other events on your wedding day.

### **CV**

We enable people to develop new ways of thinking about craft and experience first-hand the important presence of craft in everyday life. Through our community engagement programme, anyone can develop their skills.
