The creative innovation of modern artists melding popular and fine art points to an interesting future for painting in Japan. They only have one month off from school, during the school year, from the middle of July to the middle of August.

Japan's 'mingei' elevate the everyday to art

Combining close reading, the archival work of Japanese and Chinese scholars, and comparative literary theory, Ni argues that Murasaki Shikibu avoided the constraint of a single literary tradition by drawing on Chinese intertexts. The manga artists' detailed depictions of the characters draw readers deep into the stories.

HIDA brand introduction

He was key visual and costume designer for movies written by Baku Yumemakura including , and. It was Yanagi's encounter with pottery of Korea's Joseon dynasty, which lasted from 1392 to 1910, that led him to examine the indigenous, folk-craft traditions of his native Japan.
