## The impact of providing enhanced support for Sutton Homes of Care residents

An approach to assess generalizability in comparative effectiveness research: a case study of the Whole Systems Demonstrator cluster randomized trial comparing telehealth with usual care for patients with chronic health conditions. When the Government took office, we inherited from the previous Administration what I can only describe as a fantasy hospital building programme.

## NHS TRUSTS (Hansard, 4 December 1990)

Figures from January 2017 show that Sutton CCG supported 29 residential and nursing care homes equipped with 902 beds between them.

## NHS TRUSTS (Hansard, 4 December 1990)

In other words, the costs will be wasted, because in the long term we want to consolidate on a single site.

## Identifying and controlling risk: The problem of uncertainty in the private finance initiative in the UK's National Health Service

Non-essential shops and hairdressers are being ordered to shut from December 24, and pubs and restaurants will follow on Christmas day. The number of nurses in England has increased by 13,840 compared with last year, and the number of doctors has risen by 9,306, it said. Medical directors of BME ethnicity accounted for 19.
