Best Islands for Scenery: 2019 Readers' Choice Awards

Biking is a favorite way to get around, but the best is to follow whale migration patterns through the Salish Sea by kayak. Both are reef breaks with often solid barrelling waves not suitable for beginners. Sardinia is packed with great vineyards where you can go on wine tasting tours and to learn about the wine making process.

Both are peaceful activities that offer a different perspective of the island. Cala Fuili and Cala Goloritzé have incredible climbing walls and to top the already incredible experience, the views of the sea are stunning. The town is teeming with superb shopping, delectable dining, and great fishing opportunities.

Today, you can visit the archeological site but you can also enjoy the thermal baths! Everyone gathers outside to feast their eyes on the vibrant pyrotechnic artistry lighting up the night sky and patriotic fare can be seen anywhere you turn. Also, your base depends on what you like doing.

MASUA PAN DI ZUCCHERO — You get to see the sun disappear behind the islet.
