## History of Social Work, details

Toynbee was radically criticized by professional historians, and I must say I can imagine they were right: his grand vision of history is very speculative. He now thinks of the Jewish religion stripped of nonessentials as the hope of the world, while he is convinced that Jewish nationalism is almost certain to cause a resurgence of anti-Semitism.

## Arnold Toynbee: A Selection From His Works by Arnold Joseph Toynbee

It is an extraordinary thing that twice in history the Jews have allowed outsiders to run away with their religion, and spread it over the world.

## ARNOLD TOYNBEE A Selection from his Work by TOYNBEE Arnold

The concept of civilization was central in this tragic perception of the pattern of the past. But I'm impressed by the enormous breadth of his knowledge, his ability to see the broader picture, and his courage to put aspects of different civilizations next to one another. NOT a Remainder, Book-Club, or Ex-Library.

## Toynbee's Epistle to the Jews

Free of any ownership names, dates, addresses, notations, inscriptions, stamps, plates, or labels. The sudden emergence of the Ummayyad Caliphate in the seventh century left Toynbee with a universal state without a clear pre-existing civilization that it had united. A man is the whole encyclopaedia of facts.

## History of Social Work, details

He lectured in economic history at Oxford University where he was very critical of the effects of the industrial revolution which he saw emerging all around him. About this Item: Oxford Univ Pr, Cary, North Carolina, U. Toynbee, A Study of History, 12.

## **Arnold Toynbee ~ A Study of History**

In May 1917 he took another government job as he transferred to the Political Intelligence Department of the Foreign Office where he was mainly engaged in getting intelligence on affairs concerning the Ottoman Empire and the rest of the Islamic world. This chair was concerned with the study of Greek history, and was funded by the Greek community of London.
