**Ryerson Press - In the Village of Viger by Duncan Campbell Scott, Paperback**

Her dreams are undiscovered,  
Shadows trouble her breast,  
When the time for resting cometh  
Then least is she at rest.

Oh in the morns of winter,  
When she visits the rabbit snares,  
An appearance floats in the crystal air  
Beyond the balsam firs.

Early Life Duncan Campbell Scott was the son of Janet Scott née McCallum and preacher, William Scott. The miller had died; and who would trouble to grind what little grist came to the mill, when flour was so cheap? The ten stories in *In the Village of Viger* portray the life of a rural village as it faces the darkness of its own future.

Note some villagers sell items more expensively than others meaning villagers have different costs. Some of the stories contained some humour, some were rather sad, a few were actually spooky! *The Circle of Affection* 1947, primarily a collection of prose, includes a number of poems not previously published.

The government responded favourably to their request and granted them, collectively, a concession located in their traditional hunting grounds in Viger Township, abutting the seigneurie of Isle-Verte. To cure a zombie villager, you must splash it with a splash potion of weakness and then feed it a golden apple.

### **Le Village Real Estate**

Urged to write by his close friend Archibald Lampman, Scott became a skilled and popular poet, short-story writer, and casual essayist.
