Teaching Children Mathematics

They begin to study the cover of the book, which features a large color photo of a spider in its web. When students do not have these early experiences with informational text, they may be more likely to struggle when they encounter such texts in the later grades.

Closing the Achievement Gap: Resources for School Administrators Looking to Make a Change

For most of the week I work for the EEF, as National Content Manager, supporting teachers and school leaders to access research evidence. Text structure, background knowledge, and vocabulary acquisition How to teach young students to identify and use the compare-contrast text structure As we have described, one of the issues that young students often face when attempting to comprehend compare-contrast texts is that they are unfamiliar with this type of structure itself-they do not understand that they are being asked to recognize the similarities or differences between two or more things. Comer, MD, MPH, is the Maurice Falk Professor of Child Psychiatry at the Yale University Child Study Center.

Connecting Home and School

Crocodile and Polar Bear vs.

Boys' Reading Commission

Others progress through school but do not excel; they are less often enrolled in honors courses in high school or accepted into competitive four-year colleges Stanford CEPA, n. Some states—South Carolina comes to mind, which was determined to do something for their flailing boys—gave that green light a broad embrace, unleashing several hundred programs.

Gender Gap

At the same time, you see wide gaps in reading and very wide gaps in writing. Once the key issues are identified, follow-on research projects can target specific teaching strategies for teachers. She would stare at the ground and rarely utter a word.

Teaching Children Mathematics

You can get greater details on the achievement gap by exploring the interactive graphs created by from Stanford CEPA.

Making Connections

In addition to providing an incentive to read, these events may inspire boys to look to books for more information.
