The assumed mortality rate for the high mortality variant will be higher, and consequently life expectancy will be shorter than for the medium variant. Algunas de las obras más recientes que reflejan estos valores son November Steps de Takemitsu y Jōruri de Miki, las cuales han recibido elogios de la crítica tanto en el extranjero como en Japón.

Study of Hope in Kamaishi

In this short survey, however, I will only be able to briefly introduce some of his many publications over a thirty-five-year period. It also reveals the reality of the US military exercises in Japan.
