## Local Plan Partial Update Options Consultation

The tools are universal and have worked in communities around the country. This is a major theme of our questions.

## SaveOurCirencester!

This plan is being prepared by the North London Boroughs of Barnet, Camden, Enfield, Hackney, Haringey, Islington and Waltham Forest.

## Smart Growth Implementation Assistance Project Summaries

Would the modifications proposed by the Council address any shortcoming in these respects? What action has the Council already taken and what action does it intend to take to follow the Inspectors recommendations and consult meaningfully with local residents? Are the assumptions regarding capacity and delivery justified and based on available evidence? There will be further opportunities to contribute ideas and comment on the content of the Local Plan Partial Update, as the update progresses towards becoming adopted being official council policy. Is consideration 2 g of policy SH2 capable of effective implementation? Given the propensity for change in policy and plans, that would bring the entire planning system to an effective halt. For example, the AIDS project in a small community might come up against large amounts of prejudice trying to discuss the percentage of young people who practice safe sex.

## Smart Growth Implementation Assistance Project Summaries

Legislation has a real goal of 1,500,000 housing units by 2010. These same households are important to community stability and economic growth, as they are typically headed by workers in the service and retail sectors with earnings at or just above minimum wage. The downtown neighborhoods traditionally provided this housing, for teachers, public employees, service workers, health workers, and other essential jobs.

## **Supplementary Planning Documents (SPDs)**

This is not due to fundamental disagreements which cannot be resolved but is simply due to the complexity of drafting the legal agreement, which will cover a range of obligations including affordable housing, self and custom build, open space, car parking and employment land.
