## Transportation: Reconceptualizing Data Collection

Annals of Behavioral Medicine, 49 5 , 650-659. Despite the diversity of Frunze, with ethnic Kyrgyz, Ukrainians, and other Slavic groups forming sizeable minorities, the Russian population remained a majority. Journal of Clinical Psychiatry, 58, 25-28.

## Posttraumatic Growth Research Group

. A Gender Audit for Public Transport: A New Policy Tool in the Tackling of Social Exclusion.

## Feminist Qualitative Research: Toward Transformation of Science and Society

Discriminant analysis of risk factors for sexual victimization among a national sample of college women. In Emilio Viano, et al.

## Research

Easier said than done: Gender differences in perceived barriers to gaining a mentor. They were finally granted the right to vote and to run for public office, and the Constitution of the Fourth Republic enshrined the right to work in its articles. This thesis draws heavily on the work of Joan Acker 1990 and her theory of the gendered organization in defining the problem of gender inequality and the nature of the transformative change required.
