**Satyabhama: Krishna's warrior wife**

Natya being the most attractive and communicative medium, was chosen as the ground to present the idea. At the end of the saincara phase we find the creation of solid factor.

**Satabhisha Nakshatra born characteristics and features**

We may ask what is the origin of the mind in the individual living being? At one time they thought that the atom was the smallest particle, but in recent years they have been dividing and sub-dividing the atom, finding smaller particles with no end in sight. The link between the manifested and unmanifested Brahina is Taraka Brahma which means Brahma the liberator. She is very much inclined in the religious activities as she is god fearing.

**Brahma Cakra: The Cycle of Creation**

But this unity is possible only when the ego is completely removed out of the human being. Brahmachakra even sheds light on competing social theories. Negative Traits: Lonesomeness, melancholic, lacks self confidence, restricted, life is duty, quiet yet will blurt things out in an unrefined manner, con artist, unstable, argumentative, uncommunicative, hides their true intentions, miser, dependent on others to meet their needs, problems in relationships, feels intensely restrained or mentally anguished, problematic relationships with children and siblings, secretive — keep weaknesses to themselves, lack self confidence, stubborn.

**Satyabhama: Krishna's warrior wife**

Satyabhama is a personification of beauty and intelligence.
