The prepared speeches seem to have been published, but not Gomulka's interventions in the debate. The Great Game 11 London's concession turned out to be profoundly significant.

PACE

Our conviction of the correctness of this policy is strengthened by the observation that, if left to themselves, the Syrians and other Arab peoples are generally able to find a modus vivendi which avoids direct hostilities between Arab and Arab. However, the Korean experience suggests that import liberalization can lag behind export promotion quite considerably without excessive costs, though there are dangers involved.
